<sup>1</sup> Restricted to rebates associated with Part D drug events in calendar year 2014. Excludes non-rebate amounts reported as "other direct and indirect remuneration."

<sup>2</sup> Based on the gross drug cost, which represents total spending for the prescription claim, including Medicare, plan, and beneficiary payments.

<sup>3</sup> Drug classes based on the American Hospital Formulary System (AHFS) level 2 drug categories. These classes were chosen due to their broad inclusion of many drugs and many manufacturers. A small number of drugs are included in multiple classes (e.g., combination drugs), thus class-level totals do not sum to the grand total.
