¹Beginning with 1994, Medicare enrollees in managed care plans are not included in the denominator used to calculate utilization rates and average payments.

²The general provisions of the Medicare Catastrophic Coverage Act of 1988 affecting cost sharing were only in effect for calendar year 1989. Special provisions covered hospital stays that transitioned the effective dates.

NOTES: Medicare program payments represent fee-for-service only and exclude amounts paid for managed care services. TDOC is total days of care. HI is hospital insurance.
