- 3. Passage of Federal Legislation.** In accepting this waiver, the District of Columbia is not precluded from amending their waiver to conform with legislative changes. Should legislation pass extending the temporary eligibility period for evacuees, CMS will automatically extend the temporary eligibility period without requiring the District of Columbia to submit an amendment.

V. ELIGIBILITY AND ENROLLMENT

- 1. Screening for Medicaid and SCHIP.** Applicants for the demonstration will be screened for Medicaid and SCHIP eligibility and enrolled in the program for which they are eligible. Any eligibility standards and methodologies described in either a Home State's or Host State's title XIX and title XXI state plan will not apply to evacuees, including income, resources, access to or coverage under other health coverage, state residency, income, age, geographic area, or effective date of coverage.
- 2. Host State Assurances:** The District of Columbia assures that they will, to the greatest extent possible: 1) verify circumstances of eligibility, 2) verify residency and citizenship of the evacuees, and 3) prevent fraud and abuse. Host and Home States may be subject to audit by other Federal agencies including the Office of the Inspector General. The purpose of the audit will be to assure only evacuee expenses are claimed by the State under the terms of the waiver and to detect provider or client fraud and abuse. Any provider or client fraud and abuse will require recovery efforts on the part of the State; however, the States will not be held liable for such fraud and abuse. Additionally, there is a reciprocal obligation for Home/Host States in obtaining necessary information to determine eligibility for this waiver program.
- 3. SCHIP Eligibility Category:** The category of evacuees is a new eligibility category under SCHIP under this demonstration. The eligibility standards and methodologies that apply to this group are described in the approval letter and STCs and do not need to be described in the SCHIP state plan by virtue of our waiving 2102(a).

VI. BENEFITS

The benefits for evacuees will be those of the State Plan Title XIX programs in the District of Columbia. Evacuees who qualify for SCHIP will receive the same benefit package as provided under the District of Columbia SCHIP State plan, which meets the other Secretary-approved benchmark benefit package.
