Re: Special Purpose Renal Dialysis Facility (SPRDF) Approval
Certification Control Number (CCN): 10-2900

Dear Ms. Kohel:

The Centers for Medicare and Medicaid Services (CMS) reviewed your request for approval as a Special Purpose Renal Dialysis Facility (SPRDF) providing End-Stage Renal Disease (ESRD) services in the Medicare program. Your facility meets program requirements and is eligible for reimbursement under title XVIII of the Social Security Act. This approval is effective September 7, 2017 through March 7, 2018. Therefore, renal services rendered during this period will be considered for payment by your Medicare Administrative Contractor (MAC). Your SPRDF has been issued the above CCN number.

As requested, your facility was approved as a SPRDF to furnish in-center hemodialysis for sixteen (16) stations. If you believe that this determination is incorrect, you may ask that it be reconsidered. Your request must be submitted in writing to this office within 60 days of receipt of this letter. You may submit with your request for reconsideration any information you believe to be pertinent to the determination. If you have any questions, please contact Jackie Whitlock at 404-562-7437 or Jacqueline.whitlock@cms.hhs.gov.

Sincerely,
