

CMS eHealth Summit	
PROGRAM AGENDA	
Friday, December 6, 2013	
TIME	SESSION
8:00 a.m. – 2:00 p.m. Main Lobby	REGISTRATION
9:00 a.m. – 9:30 a.m. Main Auditorium	Welcome Remarks Robert Tagalicod Director, Office of E-Health Standards and Services Centers for Medicare & Medicaid Services
9:30 a.m. – 10:30 a.m. Main Auditorium	Health IT Innovation in Care Delivery Transformation, Payment Reform, and Population Health Management <i>The Center for Medicare & Medicaid Innovation will lead a discussion on health care IT innovation and transformation approaches as they relate to care delivery, new payment models, and population health. The discussion will focus on how health care organizations and states are transforming into highly functioning, health IT-enabled practices that can coordinate patient care across the medical neighborhood, engage patients in their care, and manage populations to improve health outcomes. Panelists representing innovative models such as Accountable Care Organizations, the Comprehensive Primary Care Initiative, State Innovation Models, and other programs at the state level will discuss challenges and successes in their implementation of these CMS initiatives, as well as share their experiences and explore how other states and communities can learn from, iterate on, and build upon their roadmap for transforming health care.</i> Moderator: Ahmed Haque Health IT Advisor Center for Medicare & Medicaid Innovation Centers for Medicare & Medicaid Services Craig Behm Executive Director MedChi Network Services
