| TIME | SESSION |
| 12:00 p.m. – 1:00 p.m. | LUNCH |
| <p>1:00 p.m. – 2:00 p.m.</p> <p>Main Auditorium</p> | <p>Information Governance for Healthcare</p> <p><i>Within the healthcare environment, new clinical, financial, patient-generated data sources and users are evolving. As organizations implement electronic health records, and as new care delivery and financing mechanisms such as accountable care organizations proliferate, there are increasing demands for the accountability, reliability and security of data/information. Now is the time for health care organizations, including providers, payers, and clearinghouses, to develop and implement information governance programs. These programs will help assure that the organizations' information can be trusted and has integrity.</i></p> <p>Moderator: Margarita Valdez Director, Congressional Relations American Health Information Management Association</p> <p>Meryl Bloomrosen, RHIA, MBA, MBI, FAHIMA Vice President, Public Policy American Health Information Management Association</p> <p>Deborah Green, RHIA, MBA Chief Operating Officer Executive Vice President, Operations American Health Information Management Association</p> <p>Angela Kennedy, EdD, RHIA, MBA President/Chair, Board of Directors American Health Information Management Association</p> |
