

Introduction to the Choosers Reminder Notice

What Is the Purpose of This Notice?

The notice is printed on both sides of tan paper. The front page is the notice. On the back of the notice is a list of Medicare Prescription Drug Plans for each region that have premiums at or below the low-income premium subsidy amount.

Who Gets This Notice?

Medicare will mail this notice to people who qualify for the full premium subsidy and who are currently liable for a portion of their Medicare Prescription Drug Plan's premium in 2011.

When Do People Get This Notice?

The notice is scheduled to mail in May.

What Should People Do Next?

People with Medicare should consider their options carefully. If they want more information about Medicare prescription drug coverage, they can do the following:

Reminder from Medicare About Your Drug Plan Options

This notice is to make sure you're aware of your Medicare prescription drug plan options. Right now, your monthly premium cost in <Organization Marketing Name>'s <plan name> is <amount>. You'll send your payment to the plan, not Medicare.

Since you qualify for Extra Help, you could switch to another Medicare drug plan and pay \$0 for your monthly premium. See the back of this notice for a list of all plans in your area available for \$0 monthly premium in 2011 to people who qualify for Extra Help.

What to Do Next

If you're thinking about switching plans, call the plans you're interested in and **make sure they cover the prescriptions you take and include the pharmacies you use.** You may want to compare the costs, coverage, and customer service ratings of several Medicare drug plans in your area before you decide.

You can join a different Medicare drug plan by calling 1-800-MEDICARE (1-800-633-4227), or by calling the plan directly. TTY users should call 1-877-486-2048. As long as you qualify for Extra Help, you can join, switch or drop a Medicare drug plan at any time for coverage effective the first day of the next month.

Get Help With Your Choices

You can compare all available Medicare drug plans at www.medicare.gov. You can also get personalized help with your choices at your local Office on Aging, your State Health Insurance Assistance Program at <SHIP phone number>, or 1-800-MEDICARE.

NOTE: If you get help from your State Pharmacy Assistance Program, contact them directly to discuss your decision.
