Dear Secretary Young:

On July 31, 2024, the Department of Health and Human Services and the Department of the Treasury approved Delaware's application for an extension of its State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (ACA). Delaware's approved extension application waives the ACA's requirement for the single risk pool to the extent necessary to continue to implement a state reinsurance program called the Delaware Health Insurance Individual Market Stabilization Reinsurance Program for plan years 2025 through 2029.

It is the Department of the Treasury's final administrative determination that Delaware's pass-through funding amount for calendar year 2026 is \$26,566,559, which must be used for purposes of implementing Delaware's State Innovation Waiver.

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Meril Pothen at Meril.Pothen@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,

A handwritten signature in black ink that reads "Peter Nelson".
