Dear Director Eberle:

On January 15, 2025, the Department of Health and Human Services and the Department of the Treasury approved Maryland's application for an amendment of its State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (ACA). Maryland's approved amendment application includes waiving the ACA's requirement for the single risk pool to the extent necessary to continue to implement a state reinsurance program called the Maryland State Reinsurance Program for plan years 2024 through 2028.

It is the Department of the Treasury's final administrative determination that Maryland's pass-through funding amount for calendar year 2025 is \$577,750,590, which must be used for purposes of implementing Maryland's State Innovation Waiver.¹

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,
