Dear Commissioner Caride:

On August 16, 2018, the Department of Health & Human Services and the Department of the Treasury approved New Jersey’s State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (ACA). New Jersey’s approved application waives the ACA’s requirement for the single risk pool to the extent necessary to implement a state reinsurance program called the New Jersey Health Insurance Premium Security Plan for plan years 2019 through 2023.

It is the Department of the Treasury’s final administrative determination that New Jersey’s pass-through funding amount for calendar year 2022 is $322,987,495, which must be used for purposes of implementing New Jersey’s State Innovation Waiver. This amount reflects changes in New Jersey state law or regulation that impact the waiver, such as the full-year implementation of the enhanced state subsidy schedule.¹

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,

Ellen Montz, Ph.D.
Director, Center for Consumer Information & Insurance Oversight
Deputy Administrator, Centers for Medicare & Medicaid Services

¹ The enhanced schedule was introduced midway through 2021 and was not in place during Open Enrollment for the 2021 plan year.
