Dear Director Lang:

On August 26, 2019, the Department of Health and Human Services and the Department of the Treasury approved Rhode Island's State Innovation Waiver under section 1332 of the Patient Protection and Affordable Care Act (ACA). Rhode Island's approved application waives the ACA's requirement for the single risk pool to the extent necessary to implement a state reinsurance program called the Rhode Island Reinsurance Program for plan years 2020 through 2024.

It is the Department of the Treasury's final administrative determination that Rhode Island's pass-through funding amount for calendar year 2024 is \$9,554,994, which must be used for purposes of implementing Rhode Island's State Innovation Waiver.

We look forward to continuing to work with you and your staff. If you have any questions regarding program matters or official correspondence concerning the waiver, please contact [stateinnovationwaivers@cms.hhs.gov](mailto:stateinnovationwaivers@cms.hhs.gov).

Sincerely,
