

# Quality Payment PROGRAM

2017 CMS Web Interface Quality Reporting  
for MIPS Groups and ACOs

CMS Web Interface  
Q&A Session

February 28, 2018

# Disclaimer

*This presentation was current at the time it was published or uploaded onto the web. Medicare policy changes frequently, so links to the source documents have been provided within the document for your reference.*

*This presentation was prepared as a service to the public and is not intended to grant rights or impose obligations. This presentation may contain references or links to statutes, regulations, or other policy materials. The information provided is only intended to be a general summary. It is not intended to take the place of either the written law or regulations. We encourage readers to review the specific statutes, regulations, and other interpretive materials for a full and accurate statement of their contents.*
