PROGRAM

2018 CMS Web Interface Quality Reporting for MIPS Groups and ACOs

CMS Web Interface User Demonstration

November 14, 2018

Disclaimer

This presentation was current at the time it was published or uploaded onto the web. Medicare policy changes frequently, so links to the source documents have been provided within the document for your reference.

This presentation was prepared as a service to the public and is not intended to grant rights or impose obligations. This presentation may contain references or links to statutes, regulations, or other policy materials. The information provided is only intended to be a general summary. It is not intended to take the place of either the written law or regulations. We encourage readers to review the specific statutes, regulations, and other interpretive materials for a full and accurate statement of their contents.

CMS Web Interface Key Dates

- **CMS Web Interface Application Programming Interface (API) Trial Period (September 11, 2018 – January 4, 2019)**
  - **API Trial Period in Production Preview**
    - Log in to the CMS API production preview environment.
    - Use the API to programmatically retrieve a production-like beneficiary sample, map it to your EHR data, and submit your responses for end-to-end testing.
  - **For more information, please review the following:**
    - 2018 CMS Web Interface API Narrative Documents
      https://cmsgov.github.io/beneficiary-reporting-api-docs/
    - Swagger Documents
      https://qpp.cms.gov/api/preview/submissions/web-interface/docs
  - **For direct support, please refer to the CMS Web Interface Google Group:**
    - Developer Group for CMS Web Interface API (Google Group)
      https://groups.google.com/forum/#!forum/cms-web-interface

CMS Web Interface Test Period (January 7, 2019 – January 18, 2019)

- **Test Period: Download Your Sample & Test Mode**
  - Log into the CMS Web Interface in test mode.
  - Download your sample.
  - Review your sample.
  - Work on filling in your data in the Excel template offline.
  - Upload your data to test out the CMS Web Interface.
  - Manually enter data by beneficiary or by measure into the CMS Web Interface.
  - Review the Measure Rates and Activity Log Reports.
  - NOTE: Any test data you upload or enter will be removed at the close of the test period.

- **CMS Web Interface Submission Period (January 22, 2019 - March 22, 2019)**
    - **Submission Period**
        - The CMS Web Interface has an 8-week submission period, which closes promptly at 7:59pm Eastern Daylight Time (EDT) on March 22, 2019.
        - The CMS Web Interface will automatically accept your submission at the end of the submission period.
        - Accessible via the "Sign In" link on the Quality Payment Program website at https://qpp.cms.gov.
