

## **2020 Codes for Which Reporting on Post-Operative Visits is Required**

As of January 1, 2020, there are some changes required in which codes post-operative visits must be reported. The following codes are added and deleted.

Added Codes	Deleted Codes
15769	33282
15771	33860
15773	
33858	
33859	
64624	

HCPCS code 33282 was deleted. It is replaced by the new codes 15769, 15771 and 15773 were added to the list in 2020. Two codes, which are also replacements, 15772 and 15774, are not added to the list because they do not have a 10- or 90-day global period.

HCPCS code 33860 was deleted and replaced by HCPCS codes 33858 and 33859, both of which have 90-day global period and were added to the list.  
global periods and were added to the list.

The [2020 list of codes](#) for which reporting is required on or after January 1, 2020 can be downloaded here. Except for the changes noted above, the list is the same for 2020 as 2019. .
