Public Health Emergency Considerations

• All 2020 MIPS performance information that will be previewed and publicly reported met the established statistical public reporting standards.

• Extreme and Uncontrollable Circumstances (EUC) exceptions were automatically applied to MIPS eligible clinicians and available to groups who experienced challenges collecting or submitting 2020 performance information due to the public health emergency.
  – No performance information will be publicly reported for MIPS performance categories that were reweighted to 0% through the EUC policy and information wasn’t submitted to CMS.
  – The reweighting or targeted review request may still be in progress, although you’ll still be able to preview your 2020 performance information through the Preview Period. You may need to check your updated performance feedback if your performance information (including final score) changes as a result of the targeted review.
Doctors and Clinicians Preview Period Overview

• Clinicians and groups have an opportunity to review their performance information prior to it being publicly reported on Medicare Care Compare and in the Provider Data Catalog (PDC). The Doctors and Clinicians Preview Period is the first chance for clinicians and groups to review their performance information targeted for public reporting.

• Clinicians and groups who aren’t MIPS eligible (i.e., voluntary reporters) and MIPS APM participants who voluntarily submitted MIPS performance information will have the opportunity to opt out of having their performance information publicly reported.
  – If a voluntary reporter has opted in to MIPS for purposes of the payment adjustment, they won’t be eligible to opt out of public reporting. That is, these reporters’ performance information will be publicly reported.

• Clinicians and groups will be able to preview their performance information by accessing the Doctors and Clinicians Preview section of the Quality Payment Program (QPP) website.
Who should preview their information?

- Eligible clinicians, groups, and virtual groups that submitted Merit-based Incentive Payment System (MIPS) performance information.
- Clinicians, groups, and virtual groups who aren’t MIPS eligible but voluntarily submitted MIPS performance information.
- Groups that submitted Consumer Assessment of Healthcare Providers and Systems (CAHPS) for MIPS Survey data.
Who should preview their information?

- Doctors and clinicians who participated in an APM may or may not have performance information available on their profile pages and in the PDC.

<sup>1</sup> Clinicians in MIPS APMs may have opted out of public reporting during the Doctors and Clinicians Preview Period.

<sup>2</sup> Clinicians only have performance information on their profile pages and in the PDC if they submitted performance information that was selected for public reporting and didn’t have an EUC exception.
How to Preview Your Information

Step 1 – Log in

- Log in to the Quality Payment Program using your HARP credentials.
- Forgot your credentials? Go to the HARP website to recover your user ID or reset your password.
- Don’t have a HARP account? View the HARP toolkit and visit the HARP registration page to create one.

Note: You must log in using a Security Official or Staff User role. You won’t be able to preview your information using a Clinician role.
How to Preview Your Information

Step 2 – Navigate to Doctors and Clinicians Preview

• Select “Doctors and Clinicians Preview” from the left-hand navigation bar.
How to Preview Your Information

Step 3 – Select a group or clinician

• For a group, select “View Practice Details” for the group in which you’re interested.

Note for virtual groups: If your HARP account is connected to a virtual group, you can preview available performance information by selecting “View Virtual Group Details” on the “Virtual Groups” tab. To preview group performance information, you must first navigate to the “Practices” tab and then select “View Practice Details.”
Step 3 (cont’d) – Select a group or clinician

• If you’re a clinician and want to preview individual data, from the group preview landing page, scroll down to the “Connected Clinicians” section and select the “View Individual Preview” button for the individual clinician of interest.

Note for virtual groups: If your HARP account is connected to a virtual group and you want to preview individual performance information, you must first navigate to the “Practices” tab and then select “View Practice Details.” Then, follow the steps at the top of the slide to view clinician performance information.

Step 6 (cont’d) – View improvement activities data

- Review improvement activities data.

**Improvement Activities (IA)**

This is how your group's 2020 MIPS Improvement Activities will display on your group's Medicare Care Compare profile page. Only performance information that meets the public reporting standards will be publicly reported. Additional information about public reporting is available on the Care Compare Doctors and Clinicians Initiative page.

**Improvement Activities**

A group can choose from many activities to demonstrate commitment to improving patient care. In 2020, this group participated in the Improvement Activities listed below.

- ✔ Sharing patient information with other clinicians through a Health Information Exchange or structured referral notes.
- ✔ Helping patients and caregivers understand out-of-pocket costs of prescribed medications.
- ✔ Collecting and following-up on patient experience and satisfaction information related to patient engagement.

¹Note: Clinicians or groups who opt in to the MIPS payment adjustment can’t opt out of public reporting. Voluntary reporting doesn’t apply to clinicians who participated in an Advanced APM and were considered qualified participants during the year of performance.
Step 1 – Navigate to the “Overview” page and select the “opt out” link.
Step 2 – Verify that you’re opting out for the correct clinician or group.

• Review the information and verify that this is you or your group.
• Select the green “Opt-out” button to continue and confirm.
Step 3 – Confirm your decision.

- Confirm your decision by typing “CONFIRM” and selecting the “CONFIRM” button.
- This selection is **permanent for the given performance year** and **can’t be changed later**. Once you confirm your decision, you won’t be able to opt back in.
Step 4 – Verify that the opt-out was successful.
