

Partner Social Media Toolkit for Flu Vaccination

Getting a flu shot this year is more important than ever. Use this toolkit to share information about the importance of the flu vaccination, especially for people 65 years and older. The posts below will encourage your followers to get their yearly flu shot and emphasize that it's covered by Medicare. As always, the best way to stay up-to-date with Medicare news and announcements is to "Like" our Facebook page and follow us on Twitter @MedicareGov.
