MEDICARE FLU CAMPAIGN LIVE READ RADIO SCRIPTS

:30 Option

Medicare wants to remind you to get a flu shot this year. The flu can be serious for older adults and people with diabetes, heart disease, and other conditions. And flu shots are covered by Medicare. So, no excuses. Get a shot to protect yourself and avoid spreading the flu. Especially this year. You can go to the doctor, pharmacy or other local providers. Remind your friends and family to get their flu shots, too.

:15 Option

Medicare wants to remind you to get a flu shot. The flu can be serious for older adults and people with diabetes and other conditions. Flu shots are covered by Medicare. You can get one at the doctor, pharmacy or other local providers.

:10 Option

Medicare wants to remind you to get a flu shot to protect yourself. See the doctor, pharmacy or other local providers for a flu shot, covered by Medicare.

:05 Option

Flu shots are covered by Medicare. Available from the doctor, pharmacy or other local providers.
