

Home Health QRP Spotlight and Announcements

October 05, 2021

Hurricane Ida

Although the Home Health Agency Quality Reporting Program (HHQRP) is not granting automatic exceptions or extensions related to Hurricane Ida, CMS recognizes that some providers may have been affected by Hurricane Ida. If you are a HHQRP provider that was directly impacted by Hurricane Ida, please refer to the Home Health QRP page below to find out about filing a timely reconsiderations extension or exception. For further information about this Hurricane Ida disaster specific memo, please check the downloads section here:
