

Administration of the BIMS in Writing

INSTRUCTIONS

If the patient's primary method of communication is in written format, the BIMS and category cues can be administered in writing. The administration of the BIMS in writing should be limited to this circumstance.

This series of cue cards includes all written text needed to administer the BIMS in writing. Refer to the complete guidance, "Instructions for BIMS When Administered in Writing" found in your setting-specific guidance manual.

INTRODUCTION CARD FOR C0200–C0400

- I would like to ask you some questions, which I will show you in a moment.
- We ask everyone these same questions.
- This will help us provide you with better care.
- Some of the questions may seem very easy, while others may be more difficult.
- We ask these questions so that we can make sure that our care will meet your needs.
