

PCMP Episode-Based Cost Measures Wave 7 Clinician Expert Workgroup (Membership) List

Project Title: Physician Cost Measures and Patient Relationship Codes (PCMP) – Breast Cancer Screening Clinician Expert Workgroup

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) contracted Acumen, LLC (“Acumen”) to develop episode-based cost and value measures. The contract name is Physician Cost Measures and Patient Relationship Codes (PCMP). The contract number is 75FCMC18D0015, Task Order 75FCMC24F0142. As part of its measure development process, Acumen convenes groups of interested parties who contribute direction and thoughtful input to the measure developer. The purpose of this workgroup is to provide clinical input on each aspect of the specifications of the Breast Cancer Screening episode-based cost measure being developed as part of Wave 7. This measure is being developed for intended use in the Merit-based Incentive Payment System (MIPS).
