Activity Information

Activity Description

This presentation will explore the impact of perception and "medical myths" when interpreting medical research findings.

Target Audience

This activity is designed for physicians and other health care professionals.

Learning Objective

By the end of this webinar, learners will be able to identify the origin of "medical myths," the meaning of number-needed-to-treat (NNT), and the role confidence intervals in interpreting research findings.

Participation

1. Register for the webinar;
2. View the webinar; and
3. After the webinar is over, access and complete the assessment and evaluation.

Speaker Bios & Disclosures (*alphabetical by last name*)

No one in a position to control the content of this activity has anything to disclose. The planners/developers of this activity have signed a disclosure statement indicating that he/she has no relevant financial interests. This activity was developed without commercial support.

Marc V. Gosselin, MD, presenter, has been employed by Oregon Health & Science University's (OHSU's) Medicare Administrative Contractor (MAC) from October 2001 to the present. Dr. Gosselin is the Director of the Cardio Pulmonary Imaging Division. He also serves as the faculty lead overseeing the first two years of OHSU School of Medicine Curriculum transformation.

Dr. Gosselin has practiced Diagnostic Radiology in an academic setting for almost twenty years and has authored numerous articles and book chapters. Dr. Gosselin has given numerous lectures on imaging and other areas of medicine. His background also includes medical training in Canada's nationalized health system.

Dr. Gosselin earned his Medical Degree at McGill University with a specialization in Radiology.

Continuing Education Credit

ACCME Designation Statement (live activity):

The Centers for Medicare & Medicaid Services designates this enduring activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Credit for this course expires February 10, 2016.

IACET Designation Statement:

The Centers for Medicare & Medicaid Services (CMS) is authorized by IACET to offer .1 CEU(s) for this program. CEU will be awarded to participants who meet all criteria for successful completion of this educational activity. CEU credit for this course expires February 10, 2016.
