### Definition of Terms

**Specific Conditions** — Those conditions listed in the active patient problem list.

### Attestation Requirements

YES / NO

Eligible hospitals or CAHs must attest YES to having generated at least one report listing patients of the eligible hospital or CAH with a specific condition to meet this measure.

### Additional Information

- This objective does not dictate the report(s) which must be generated. An eligible hospital or CAH is best positioned to determine which reports are most useful to their care efforts.
- The report generated is required to include only patients whose records are maintained using certified EHR technology.
- The report generated could cover every patient whose records are maintained using certified EHR technology or a CAH.
