Agenda

01 Overview of Find Local Help and Help On Demand

02 CMS Recognition Programs (Circle of Champions, Connecting Consumers with Coverage)

03 Growing your Book of Business and Reaching New Consumers

04 Live Question and Answer Session
Session Objectives

» Review the Marketplace tools and recognition programs that are available to agents and brokers to help them expand their reach to consumers and grow their book of business.

» Review changes and updates to the Help On Demand consumer referral program.

» Understand best practices and tips for reaching consumers in need of Marketplace coverage.
Find Local Help and Help On Demand are consumer assistance resources

Consumers can access these tools on HealthCare.gov
Find Local Help (on the left)
» Consumers have the ability to search and produce a list of agents and brokers in their area.
» Consumers then can reach out to an agent and broker directly for assistance.

Help On Demand (on the right)
» Consumer assistance referral system that quickly connects consumers seeking assistance from Marketplace-registered, state-licensed agents and brokers in their area who can provide immediate assistance with Marketplace plans and enrollments.
Find Local Help

» Find Local Help is designed to help consumers find you to assist them with Marketplace applications.

» After entering their city and state or ZIP code, consumers are presented with a list of results with contact information.

» Consumers can filter search results by coverage type, assistance type, hours of operation, and minimum years of participation in the Marketplace.

» The default for display of search results is in order of distance to the centroid of the zip code if the agent or broker has elected to display all of their contact information.
After the consumer enters their contact information on HealthCare.gov, it is sent to Help On Demand where the consumer is matched with an agent or broker who is available, speaks the consumer’s language, and is licensed in the consumer’s state.

If more than one agent or broker meets these criteria, Help On Demand directs the referral to the agent or broker who is geographically closest to the consumer.

That agent or broker receives a notification from Help On Demand via email, text message, and/or app notification, and has **15 minutes** to accept or reject the referral before it moves to the next available agent or broker in the queue.

Participation is optional for agents and brokers who are interested and meet additional program training requirements. CMS monitors performance and suspends agents or brokers who consistently fail to quickly accept referrals.
Get Ready to Participate in Help On Demand

In order to participate in Help On Demand, you must:

» Complete Individual Marketplace registration and training and sign the applicable agreements for the current plan year at: https://portal.cms.gov.

» Ensure that you have an active state license and a health-related line of authority (LOA) for each state where you plan to offer assistance with enrollment in Marketplace plans.

» Confirm that your National Producer Number (NPN) is listed as valid on the Agent and Broker Federally-facilitated Marketplace (FFM) Registration Completion List at https://data.healthcare.gov/ffm_ab_registration_lists.

» You should also elect to display your contact information in your MLMS profile.

» If you select “I don’t want my contact information displayed and do not want to participate in Find Local Help or Help On Demand,” you will NOT be able to participate in Find Local Help or Help On Demand until you update your settings in the MLMS.
Participating in Find Local Help and Help On Demand

**MLMS settings to be listed in Find Local Help and Help On Demand**

- In the MLMS, you have the following four options to display your contact information:
  
  - In the MLMS, you have the option of displaying your contact information for Find Local Help and Help On Demand in all HealthCare.gov states where you have a valid license (options 1 and 2 above).
  
  - You can also choose to display your information for your home state only (option 3 above).
  
  - If you choose option 4 above, you will NOT be able to participate in Find Local Help or Help On Demand until you update your settings in the MLMS.

14,000+ agents and brokers participated in Help On Demand during Open Enrollment for Plan Year 2023 – an 8% increase from just over 13,000 participating agents and brokers during PY2022.

73% of agents and brokers who took the CMS Help On Demand survey indicated that they are very likely to participate in Help On Demand in PY2024.

Nearly 60% of agents and brokers said their businesses grew as a result of Help On Demand during both PY2022 and PY2023.
What is the Marketplace Circle of Champions?

The Marketplace Circle of Champions is an annual recognition program for Marketplace-registered agents and brokers who assist at least 20 consumers with active enrollments in Marketplace coverage during Open Enrollment.

» Agents and brokers are major contributors to the Marketplace and important partners for CMS.
» As such, CMS created this program to recognize the hard work, expertise, and service of agents and brokers.

There are three Circle of Champions recognition levels for agents and brokers:

Circle of Champions
Agents and brokers who complete 20-99 active enrollments

Elite Circle of Champions
Agents and brokers who complete 100-499 active enrollments

Elite Plus Circle of Champions
Agents and brokers who complete 500+ active enrollments
How do I qualify for the Circle of Champions?

To be eligible and qualify for the Circle of Champions, agents and brokers must have:

» Completed the current-year Marketplace registration and training requirements for agents and brokers

» A valid National Producer Number (NPN)

» An approved, active health-related line of authority in the states in which they’re licensed to operate

» Assisted at least 20 active new enrollments and/or re-enrollments in Marketplace coverage during Open Enrollment

Active enrollments are counted by individual member and not groups or policy (e.g., if you help enroll a family of four, you receive credit for four enrollments).

» Active enrollments through any Marketplace pathway – including HealthCare.gov, the Marketplace Call Center, and private websites via Direct Enrollment (DE) or Enhanced Direct Enrollment (EDE) – count toward qualification for the Circle of Champions.

» **IMPORTANT:** For enrollments to count, your clients **must include your NPN on their Marketplace application**
If you achieve Circle of Champion status at any of the three levels, you will receive a recognition package with the following materials:

- Appreciation letter from CMS
- Personalized certificate of recognition
- Commemorative digital badge
- Digital and social media toolkit

Recognition materials can be used to promote your accomplishment among your peers and within your community.
The Connecting Consumers with Coverage Program recognizes agents and brokers who assist 20 or more consumers transitioning from Medicaid/CHIP coverage to Marketplace coverage from February 2023 through June 2024. Agents and brokers recognized by the program will receive a certificate and promotional recognition materials to use for marketing.

These materials will include a digital toolkit that contains social media posts and a badge for agents and brokers to include in their email signatures and other applicable marketing messages.
