The Centers for Medicare & Medicaid Services (CMS) is committed to helping the Indian Health Service (IHS), Tribal Health Programs, and Urban Indian Programs (ITU) to maximize their ability to access third party resources. To meet this objective, CMS, in partnership with the States, the Social Security Administration and IHS, provides training on the programs and benefits available through Medicare, Medicaid, and the Health Insurance Marketplace.

The target audience for the CMS ITU trainings is:

- Business Office staff
- Benefits Coordinators
- Patient Registration staff
- Billing and Coding staff

Topics at a glance:

- CMS Tribal Affairs Updates
- Medicare, Medicaid, Social Security
- Coding, Billing, and much more.
