Public Notice

Date September 12, 2026
Title Limitation of CLIA Certificate

Sollis Health San Francisco, CLIA# 05D2266828

On September 12, 2026, the laboratory's CLIA certificate, located at 1005 Van Ness Ave San Francisco, CA 94109, will be **limited for the analyte Creatine Kinase (CK)** due to their failure to meet CLIA requirements. The laboratory was notified on August 28, 2026.

When a laboratory's CLIA certificate is **limited**, it will not be permitted to perform any testing for the purpose of providing information for the diagnosis, prevention, treatment of any disease or impairment of, or the assessment of the health of human beings, in the testing area where it is limited. The laboratory may continue to perform parallel testing on specimens if needed to implement corrective actions; however, the laboratory may not report any test results during the period of limitation.

CMS is committed to patient safety and quality of care.

This action may still be appealable. To verify the certificate status and review the Statement of Deficiencies Report, visit [QCOR](#).
