**Change to Section 111 Workers' Compensation Reporting Q&A Session**

**Thursday April 25, 2024**

**Mandatory Reporting for Liability Insurance (including Self-Insurance), No-Fault Insurance and Workers' Compensation**

Due to technical difficulties experienced at the previously held webinar, CMS will be hosting a Question-and-Answer session regarding the expansion of Section 111 Non-Group Health Plan (NGHP) Total Payment Obligation to Claimant (TPOC) reporting to include Workers' Compensation Medicare Set-Aside (WCMSA) information. The intent of this session is to give RREs the opportunity to ask questions directly to CMS to ensure they are prepared for the change when it is implemented on April 4, 2025.
