Change to Section 111 Workers' Compensation Reporting Webinar

Monday November 13, 2023

Mandatory Reporting for Liability Insurance (including Self-Insurance), No-Fault Insurance and Workers' Compensation

CMS will be hosting a webinar regarding the expansion of Section 111 Non-Group Health Plan (NGHP) Total Payment Obligation to Claimant (TPOC) reporting to include Workers' Compensation Medicare Set-Aside (WCMSA) information. The format will be opening remarks and a presentation by CMS that will include background and timelines, followed by a question and answer session. Because this expansion impacts reporting of WCMSAs, it is strongly recommended that Responsible Reporting Entities (RREs) who report Workers' Compensation settlements attend.
