Fact Sheets

*December 11- [Effectuated Enrollment for the First Half of 2019](#). This report provides average monthly effectuated enrollment and premium data for the individual market Federal and State-Based Exchanges for the first six months of the 2019 plan year. The Centers for Medicare & Medicaid Services (CMS) publishes effectuated enrollment data semiannually to provide a more accurate picture of enrollment trends for the Exchanges than indicated by the number of individuals who simply selected a plan during Open Enrollment. For coverage to be considered effectuated, individuals generally must pay the first month's premium for the plan.

*December 11- [Federal Health Insurance Exchange Weekly Enrollment Snapshot: Week 6](#). In week six of the 2020 Open Enrollment, 1,005,673 people selected plans using the HealthCare.gov platform. As in past years, enrollment weeks are measured Sunday through Saturday. Consequently, the cumulative totals reported in this snapshot reflect one fewer day than last year.

Blogs

*December 5- [Time's running out! Update & compare Marketplace plans by December 15](#). If you enrolled in Marketplace health insurance for 2019, you can renew, change, or update your plan for 2020 until Sunday, December 15, 2019. That's less than 2 weeks away! If you miss the deadline, you may be automatically enrolled for 2020, but that's not your best option.

*December 8- [Make your next Medicare premium payment online](#). If you get this bill from Medicare for your premiums, you may be able to pay it online with a credit or debit card.
