\*February 4- [Secretary Azar Statement on President Trump's 2020 State of the Union Address](#).

HHS Secretary Alex Azar released the following statement regarding President Trump's 2020 State of the Union address: "Lowering the cost of healthcare and improving the health of Americans has been a key priority of President Trump during his first three years in office, and tonight, he laid out the results that his leadership has produced. American life expectancy is rising again, drug deaths are down for the first time in three decades, and death rates from cancer are dropping. Retail drug prices are down, Medicare and Obamacare premiums are

down, patients are getting access to the data they need to control their care, and seniors on Medicare have access to new, patient-centered options and benefits.”

\*February 5- [Proposed Changes to Medicare Advantage and Part D Will Provide Better Coverage, More Access and Improved Transparency for Medicare Beneficiaries](#). Today the Centers for Medicare & Medicaid Services (CMS) issued a proposed rule and the Advance Notice Part II to further advance the agency’s efforts to strengthen and modernize the Medicare Advantage and Part D prescription drug programs. The changes proposed today would lower beneficiary cost sharing on some of the most expensive prescription drugs, promote the use of generic drugs, and allow beneficiaries to know in advance and compare their out-of-pocket payments for different prescription drugs.

## Fact Sheets

\*February 5- [Contract Year 2021 and 2022 Medicare Advantage and Part D Proposed Rule \(CMS-4190-P\)](#). On February 5, 2020, the Centers for Medicare & Medicaid Services (CMS) issued a proposed rule that updates Medicare Advantage (MA or Part C) and the Medicare prescription drug benefit (Part D) program to give seniors more choices and lower out-of-pocket costs, and to encourage price transparency. The proposed rule is another step in lowering drug costs for seniors, increasing competition, and further advancing the agency’s efforts to strengthen and modernize the popular MA and Part D programs.
