Activity Planners/Developers/Instructors

Activity Developers

Ms. Whittaker has been employed by Palmetto GBA from 1999 to the present. For the past 10 years, she worked under the CMS Train the Trainer Contract and since October, 2012, under the Provider Education Support Services contract. Ms. Whittaker also has 29 years of experience in the medical industry which includes six years with the South Carolina PRO and has served as the Director of National Training and Education for the past nine years. Ms. Whittaker has extensive experience with Medicare policy as a Congressional Liaison where she was responsible for supervising Medicare congressional inquiries and for personally meeting with U.S. Senators and Representatives as needed and for educating and assisting their staff in their home states and on Capitol Hill.

Ms. Johnson has been employed by Palmetto GBA since 1999. She has worked under the CMS Train the Trainer Contract since 2008, and under the Provider Education Support Services contract since September 2012. Ms. Johnson has been instrumental in the production of Medicare provider education training documents since October 2009.

Activity Planner

Robin Sutton has a background in the development, implementation, marketing, and training of Medicare Learning Network® (MLN) products. She facilitates the course production from content development to course completion and dissemination. She has 6 years of experience and her responsibilities the development and management of training materials, including print materials and web-based training (WBT) courses.
