**Notice to Public of Involuntary Termination of Connecticut Valley Hospital**

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on October 28, 2017, the Connecticut Valley Hospital, 1000 Silver Street, Middletown, CT 06457 will no longer participate in the Medicare program. The Medicare provider agreement between the Connecticut Valley Hospital and the Secretary of Health and Human Services (HHS) terminated on October 28, 2017 due to their failure to meet Medicare's basic health and safety requirements.

The facility has been notified that Medicare will cease to pay for services furnished to Medicare and Medicaid beneficiaries admitted after October 28, 2017, although payment may continue for up to 30 calendar days for patients admitted on or before October 28, 2017. CMS is committed to patient safety and quality of care. We are closely monitoring the relocation of Medicare and Medicaid patients to other facilities.

CMS requires facilities to meet certain health and safety standards to be certified as a Medicare provider. Involuntary termination of a provider agreement is generally a last resort after all other attempts to remedy the deficiencies at a facility have been exhausted. In this instance, the CMS, Northeast Division of Survey, Certification & Enforcement – Region I/Boston, has found that Connecticut Valley Hospital is out of compliance with CMS basic health and safety requirements.

While we understand the relocation of patients can be challenging for all parties involved, CMS prioritizes patient safety and care quality. For patients, and their family members, CMS recommends visiting the following websites for additional assistance through the relocation process:

The report of findings associated with this termination action are available through the Region I - Boston Regional Office Freedom of Information Officer. Please contact Aaron Smith 617-565-1263 for additional information.

Public notice of termination will be posted on the Survey & Certification website at <https://www.cms.gov/Medicare/Provider-Enrollment-and-Certification/SurveyCertificationGenInfo/Termination-Notices.html>
