3. The parties mutually agree that CMS retains all ownership rights to the data file(s) referred to in this Agreement, and that User does not obtain any right, title, or interest in any of the data furnished by CMS.
4. User represents, and in furnishing the data file(s) specified in paragraph 5. 6. The parties mutually agree that the aforesaid file(s) (and/or any derivative file(s) (which includes any file that maintains or continues identification of individuals)) may be retained by User no more than 90 days after the date of termination of User’s appeal of CMS’s calculation of its disproportionate patient percentage. If you are unsure if you meet the above criteria, you may submit your written products for CMS review. CMS agrees to make a determination about approval and to notify the user within 4 to 6 weeks after receipt of findings.
