Slide 3 of 29 - Course Overview

Course Overview

- Demands
 - Submit defense documents
 - View information on previously submitted defenses
 - Initiate an electronic payment using Pay.gov

**Slide notes**

This course explained how to provide a response to a demand by submitting defense documents on the CRCP, how to view information on previously submitted defenses and how to Initiate an electronic payment using <https://www.pay.gov/public/home>.

Slide 4 of 29 - Demand

Demand

- Request for recovery payment
 - Issued to employer/other plan sponsor with copy to insurer/TPA
- Includes amount due, expected payment date, and Demand Letter ID

**Slide notes**

The demand is a request for recovery payment. It is issued to the employer/other plan sponsor and a copy is supplied to the insurer or TPA.

The demand includes the amount due, expected payment date, an assigned Demand Letter ID, and each case/beneficiary that is included in the demand.

Slide 5 of 29 - Submitting Valid Documented Defense

Submitting Valid Documented Defense

- View demand information
- Submit defense documentation

**Slide notes**

One way the employer/other plan sponsor or insurer or TPA may respond to the demand letter is by submitting a valid documented defense to the CRC.

You will be able to view demand information and submit defense documentation on the CRCP. To access demand information, you will go to the Demand Listing page.

Slide 7 -of 29 - Welcome to the CRCP

The screenshot shows the 'Welcome to the CRCP' page. At the top is a navigation bar with links: 'About This Site', 'CMS Links', 'How To...', 'Reference Materials', and 'Contact Us'. The main heading is 'Welcome to the CRCP'. Below it, a paragraph explains that the CRCP is a secure web-based system for managing Group Health Plan (GHP) recovery activities. A link is provided for information on auxiliary aids and services: <http://www.medicare.gov/about-us/nondiscrimination/nondiscrimination-notice.html>. A section titled 'CRCP Messages' contains two 'Important Note' boxes. The first note discusses recent changes to the defense submission process and recommends specific documentation. The second note mentions an updated CRCP User Guide available under the 'Reference Material' link. Below the messages is a 'Getting Started' section. It states that registration is required and that an Authorized Representative (AR) and an Account Manager must complete the registration process. It defines the roles of the AR and the Account Manager. A link to the 'How to Get Started' help document is provided. At the bottom, there are two buttons: 'New Registration (PIN Request)' (labeled 'Step 1') and 'Account Setup' (labeled 'Step 2'). A red box highlights a login overlay on the right side of the page. The overlay is titled 'Sign in to your account:' and contains fields for 'Login ID:' and 'Password:', each with a 'Forgot' link. There are 'Login' and 'Clear' buttons at the bottom of the overlay.

Welcome to the CRCP

The Commercial Repayment Center Portal (CRCP) is a secure web-based system that provides Employers/Other Plan Sponsors and Insurers/Third Party Administrators with a way to manage their Group Health Plan (GHP) recovery activities more efficiently. With the use of this portal, users may view demand information on line and submit defense documentation electronically.

For information about the availability of auxiliary aids and services, please visit:
<http://www.medicare.gov/about-us/nondiscrimination/nondiscrimination-notice.html>

CRCP Messages

*****ATTENTION*****

Important Note: Questions have arisen about the recent changes to the CRCP defense submission process and uploading supporting documentation. For accuracy and improved timeliness of processing defenses, it is recommended that supporting documentation be specific to the individual defense types and claims included in that defense. Debtors may upload the same, consolidated documentation package for each defense type asserted, but must also clearly indicate which documentation is intended to support which defense type.

Important Note: An updated CRCP User Guide is now available at the Reference Material link above. Please refer to Chapter 1 for a summary of updates.

Getting Started

Registration is required to use this application. Your **Authorized Representative** must complete the *New Registration (PIN Request)* and your **Account Manager** must complete the *Account Setup*. These individuals cannot be the same person.

The **Authorized Representative (AR)** is the person in your organization who has the legal authority to bind your organization to a contract and to the terms of CRCP requirements. This is usually a senior executive or partner of your company or firm. The AR has ultimate accountability for the information submitted on the CRCP.

The **Account Manager (AM)** is the person who will actively manage the GHP case workload for the account. This includes inviting **Account Designees (ADs)** and managing their access to the account.

For more information on the registration process and CRCP user roles, please refer to the *How to Get Started* help document, located under the *How To* menu on the Navigation bar. To begin the registration process, your CRCP Authorized Representative will click the **New Registration (PIN Request)** button.

Account Listing

The Account IDs associated to your Login ID are listed on this page. Account IDs with a green leaf 🌿 have opted in to "Go Paperless". These accounts receive letter notification emails instead of mailed letters. You are responsible for viewing all correspondence on the CRCP for "Go Paperless" accounts. Select the Account ID you want to access by clicking the appropriate Account ID link. To view a list of all Tax Identification Numbers (TINs) associated to an Account ID, click the corresponding View TINs Listing link.

Multi-Factor Authentication

CRCP users may request access to view unmasked Medicare beneficiary Protected Health Information (PHI)/Personally Identifiable Information (PII). Individuals requesting this access must complete the ID Proofing and Multi-Factor Authentication (MFA) process. The status of your request will display as a link under the Multi-Factor Authentication box. You will click this link to progress through the required steps. Once you have successfully completed this process your status will be changed to Complete.

During the ID Proofing process, you will be asked to provide current personal information and respond to questions created by Experian Credit Services (an outside entity) to confirm your identity. This information, the questions, and your answers will not be stored on the CRCP. This process will not impact your credit score.

To use MFA services, you will be required to register for a Factor Type (**Voice Call and/or Text Message (SMS)**) as a method of receiving your security token to access the CRCP application using your MFA Login. When registering for Voice Call, a landline phone or mobile device may be used to receive the security token via phone call. To register for Text Message (SMS) you must register with a mobile phone number to receive your security token via text message. After the Factor registration, you must then activate the Factor for your login ID. You may only have ONE registered or activated phone number per factor type.

You will be able to activate the factor after the Next Step link has changed to Factor Required. To begin the ID Proofing process, click the Next Step: Getting Started link.

Slide notes

The Demand Listing page appears. By default, this page lists all unresolved or open demands that the CRC has issued in the past three months for this account.

Use the search function to locate any demand, including a demand that has been closed by entering the Demand Letter ID or the Demand Letter Sent Date and click Search.

You can search using a partial Demand Letter ID using the percent sign as a wildcard symbol.

The wildcard symbol can only be used in this field. When used, the percent sign replaces one (or more than one) character at the end of the Demand Letter ID.

Only one percent sign can be used and a minimum of five characters must be entered (four characters plus the percent sign).

Slide notes

If the CRCP can locate a match, all records that match the submitted search criteria will display at the bottom of the page. The total number of demand letters found will be included in the “Results Returned”.

For each demand, the Demand Letter ID, Letter Date, and Demand Status are displayed. The Demand Letter ID included at the top of the letter is displayed in the Demand Letter ID. The Letter Date is the date of the demand letter.

Finally, the status of the demand is indicated in the Demand Status. The status of the Demand on the CRCP may be: Open or Closed. The Demand Status is ‘Open’ when the status of any case included in a Demand Letter ID is ‘Open’.

The Demand Status is ‘Closed’ when the status of each case included in a Demand Letter ID is ‘Closed’. The demand listing is displayed in descending order by Letter Date. To change the sort order, click the arrow next to any of the column headings.

Note: A Viewed column has been added to the Demand Listing, Defense History, and Case Information pages. The Viewed column helps to identify when new Demands have been added to the account.

Once you have results returned, you can view case specific information. First locate the Demand Letter ID that includes the case you want to examine and then click the Demand Letter ID link. This link will only be enabled if the Demand Status is 'Open'.

Note: To prevent system errors, a limit was established on the number of letters displayed on the Demand Listing pages. If there are over 100 letters returned when a search is performed, only the first 100 letters matching your search criteria will display.

You will not be able to view beneficiary or case information if the Demand Status is 'Closed'. If you need information regarding a demand that has been closed, contact the CRC at 1-855-798-2627.

Slide notes

Once on the Case Information page, you can select the Defense History tab to view defenses submitted to the CRC through the portal or through the mail for the selected Case ID listed. For each defense you have submitted, the Document ID, Defense Number, and Defense Received date are shown.

The Defense Number is the number assigned by the CRC to your defense correspondence. The Defense Received is the date the CRC received the incoming defense correspondence.

The Decision (Outgoing Response) displays the decision sent by the CRC on the outgoing defense letter for the selected Case ID. The decisions may display as Invalid, No Decision Necessary, Partial, or Valid, and the date the CRC made the decision will also be shown.

Until the CRC makes a decision regarding the defense, a value of 'Pending' will be displayed in the Decision column and the Letter ID and Decision Date will be blank.

As indicated previously, the Viewed column helps to identify when new Demands have been added to the account. Click the Correspondence Activity tab to view files that were submitted on the CRCP for the case. For more information on the Case Information page, see the "Case Information" CBT.
