

TECHNICAL EXPERT PANEL COMPOSITION LIST

Project Title:

Development and Reevaluation of Total Hip and Total Knee Arthroplasty Outcome Measures

Dates:

The Technical Expert Panel (TEP) nomination period opened on December 23, 2019 and closed on January 31, 2020. TEP members will be expected to participate in one to three teleconference meetings and at least one in-person meeting through March 2021. Teleconference meetings will last between one to two hours. In-person meetings are generally one full business day and will be held in the Baltimore-Washington DC area.

Project Overview:

The Centers for Medicare & Medicaid Services (CMS) has contracted with Yale New Haven Health Services Corporation – Center for Outcomes Research and Evaluation (CORE) to perform development and reevaluation work for a range of measures assessing outcomes for patients undergoing total hip and knee arthroplasty (THA/TKA) for potential use across CMS programs. The contract name is Development, Reevaluation, and Implementation of Outcome/Efficiency Measures for Hospitals and Eligible Clinicians, Option Period 1. The contract number is HHSM-75FCMC18D0042, Task Order Number HHSM-75FCMC19F0001. As part of its measure development and reevaluation process, CORE convenes groups of stakeholders and experts who contribute direction and thoughtful input to the measure developer during measure development and maintenance.

These individuals were selected and have agreed to serve as the TEP for this project.
