

COBA Eligibility Response File (ERF) Layout

File attributes:

Format: Fixed block

Length: 200 bytes

Data Field	Length	Type	Displacement	Description
Beneficiary Medicare ID	12	Alpha-Numeric	1-12	Beneficiary Medicare Health Insurance Claim Number (HICN) or Medicare Beneficiary Identifier (MBI)
Beneficiary Surname	24	Alpha-Numeric	13 -36	Beneficiary last name
Beneficiary First	12	Alpha-Numeric	37-48	Beneficiary first name
Beneficiary Birth Date	8	Alpha-Numeric	49-56	Beneficiary date of birth in CCYYMMDD format containing no special characters
Beneficiary Sex Code	1	Alpha-Numeric	57	Beneficiary sex code Values are: 'M' = Male 'F' = Female
Beneficiary Supplemental Eligibility From Date	8	Alpha-Numeric	58-65	Medicare supplemental "from" date in CCYYMMDD format containing no special characters
Beneficiary Supplemental Eligibility To Date	8	Alpha-Numeric	66-73	Medicare supplemental "to" date in CCYYMMDD format containing no special characters
Beneficiary Supplemental ID Number	25	Alpha-Numeric	74-98	Supplemental ID on file with sender. Should be the same as what is submitted on the claim.
CWF Disposition Code	2	Alpha-Numeric	99-100	Common Working File Disposition Code Values are: '01' = Record accepted by Common Working File (CWF). 'BO' = Transaction edit

COBA Eligibility Response File (ERF) Layout

Data Field	Length	Type	Displacement	Description
CWF Disposition Code (continued)	(cont.)	(cont.)	(cont.)	<p>'50' = Record still being processed by CMS. Trading partner should resubmit record in next eligibility file for a final disposition.</p> <p>'51' = Beneficiary is not in file on CMS System.</p> <p>'52' = Record still being processed by CMS. Trading partner should resubmit record in next Eligibility File for a final disposition.</p> <p>'55' = Name/Personal Characteristic Mismatch. Name or personal characteristic of beneficiary does not match the Health Insurance Claim Number (HICN) on Medicare's files. <i>Agreeing Partner</i> needs to re-verify name, HICN, date of birth and sex based on information in its files; then resubmit on next exchange file.</p> <p>'60' = Cross-Reference Data Base Problem.</p> <p>'AB' = CWF problem that can only be resolved by CWF technician.</p> <p>'CI' = Processing Error</p>
CWF Disposition Date	8	Alpha-Numeric	101-108	CWF Disposition date in CCYYMMDD format containing no special characters

COBA Eligibility Response File (ERF) Layout

Data Field	Length	Type	Displacement	Description
BO Error-1	4	Alpha-Numeric	109-112	<p>Values are:</p> <p>Blank = No error</p> <p>'BO01' = Invalid or missing Medicare ID</p> <p>'BO02' = Invalid or missing beneficiary surname</p> <p>'BO03' = Invalid or missing beneficiary date of birth</p> <p>'BO04' = Invalid or missing beneficiary sex code (NOTE: If the beneficiary sex code is unknown default to M)</p> <p>*'BO05' = The contractor number is not equal to '11120'</p> <p>*'BO08' = The Document Control Number is invalid</p> <p>'BO09' = The Action Type is missing or invalid</p> <p>**BO11' = The Insurance Coverage Type is missing or invalid</p> <p>*'BO12' = The Insurer Name or Address Info is invalid</p> <p>'BO13' = The Insurance Policy Number is invalid</p> <p>'BO14' = Invalid insurance effective date</p> <p>'BO15' = Invalid insurance termination date</p> <p>'BO16' = The Identifier Number is invalid</p> <p>'BO17' = The COBA Number is invalid</p> <p>'BO18' = The PlanID number is invalid</p> <p>'BO19' = The Other Insurer Number is invalid</p> <p>'BO20' = No Match Found for Delete.</p>

COBA Eligibility Response File (ERF) Layout

Data Field	Length	Type	Displacement	Description
BO Error-1 (continued)	(cont.)	(cont.)	(cont.)	<p>'BO22' = Record already deleted</p> <p>'BO90' = Overlapping Coverage: Trading partner submitted an overlapping eligibility period for its member. The edit occurs when a BOI record already exists within that coverage period.</p> <p>'BO99' = This record is a duplicate of another record in the incoming eligibility file. A match is performed on COBA, HICN, and Effective Date to determine duplicates. Note: This is a BCRC generated error. Record will not be sent to the CWF.</p>
BO Error-2	4	Alpha-Numeric	113-116	<p>Values are:</p> <p>Blank = No error</p> <p>'BO01' = Invalid or missing Medicare ID</p> <p>'BO02' = Invalid or missing beneficiary surname</p> <p>'BO03' = Invalid or missing beneficiary date of birth</p> <p>'BO04' = Invalid or missing beneficiary sex code (NOTE: If the beneficiary sex code is unknown default to M)</p> <p>*'BO05' = The contractor number is not equal to '11120'</p> <p>*'BO08' = The Document Control Number is invalid</p> <p>'BO09' = The Action Type is missing or invalid</p> <p>**'BO11' = The Insurance Coverage Type is missing or invalid</p>
