2014 CMS QRDA Implementation Guides for EP Clinical Quality Measures

» CMS has released QRDA I & III implementation guides for EPs

» These guides are available on cms.gov at:

  – https://www.cms.gov/Regulations-and-Guidance/Legislation/EHRIncentivePrograms/ClinicalQualityMeasures.html

  – http://cms.gov/Regulations-and-Guidance/Legislation/EHRIncentivePrograms/eCQM_Library.html

Programs Included in the Guides

» These guides contain the form and manner requirements for the following programs:
  - Physician Quality Reporting System (PQRS)
  - PQRS Group Practice Reporting Option(GPRO)
  - Comprehensive Primary Care Initiative (CPC)
  - Pioneer Accountable Care Organization (Pioneer ACO)
  - Medicare EHR Incentive Program

Questions?

If we are not able to address your question on the call today, please submit your question at:

http://oncprojectracking.org/

Attestation Extension

» CMS extended EP attestation deadline for CY 2013 to March 31 at 11:59 ET

» Extension does not affect PQRS or EHR Reporting Pilot

» EPs who selected the pilot by EOD on Feb 19:

– Must submit CQMs through PQRS by Feb 28 at 11:59 pm ET

– Enter meaningful use data in the attestation system by March 31 at 11:59 ET

HIMSS14, February 23 to 27
