Notice to Public of Involuntary Termination of Rehabilitation Center at Hollywood Hills, LLC

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on October 13, 2017, Rehabilitation Center at Hollywood Hills, LLC, 1200 North 35th Avenue, Hollywood Florida, will no longer participate in the Medicare program. The Medicare provider agreement between Rehabilitation Center at Hollywood Hills, LLC and the Secretary of Health and Human Services (HHS) is to be terminated on October 13, 2017, due to their failure to meet Medicare's basic health and safety requirements.

The facility has been notified that Medicare will cease to pay for services furnished to Medicare and Medicaid beneficiaries admitted after October 13, 2017, although payment may continue for up to 30 calendar days for patients admitted on or before October 13, 2017. CMS is committed to patient safety and quality of care.

CMS requires facilities to meet certain health and safety standards to be certified as a Medicare provider. Involuntary termination of a provider agreement is generally a last resort after all other attempts to remedy the deficiencies at a facility have been exhausted. In this instance, the Atlanta Regional Office, has found that Rehabilitation Center at Hollywood Hills, LLC is out of compliance with CMS basic health and safety requirements.

While we understand the relocation of residents and patients can be challenging for all parties involved, CMS prioritizes patient safety and care quality. Residents, patients, and their family members, can visit the following websites for additional information:

The report of findings associated with this termination action are available through Atlanta Regional Office Freedom of Information Officer. Please contact Donna Mott at 404-562-1738 for additional information.
