Notice to Public of Termination of HAPPY VISIT HOME HEALTH

The Centers for Medicare and Medicaid Services (CMS) has determined that Happy Visit Home Health CCN: 757310 has failed to substantially comply with Medicare and Medicaid health and safety participation requirements. Notice is hereby given that on September 2, 2026, in compliance with federal law, CMS will terminate the Medicare provider agreement between the Secretary of Health and Human Services and Happy Visit Home Health.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after August 15, 2026. For Medicaid residents admitted prior to August 15, 2026, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after September 2, 2026, the date of termination.

While we understand the relocation of residents can be challenging for all parties involved, CMS prioritizes resident safety and care quality. We are closely monitoring the relocation of residents to other facilities. For residents and their family members, CMS recommends visiting the following websites for additional assistance through the relocation process:

- Care Compare Website (www.medicare.gov/care-compare)
- Hospital Compare Website (<https://www.medicare.gov/hospitalcompare/search.html>)

Public notice of termination will be posted on the CMS Medicare website at <https://www.cms.gov/medicare/health-safety-standards/certification-compliance/termination-notices>
