SUBJECT: Hawaii AIP D-SNPs: Updates to Contract Year 2026 Member ID Card

On August 14, 2025, CMS released an updated CY 2026 Member ID card developed by CMS and the state of Hawaii for use by applicable integrated plan (AIP) dual eligible special needs plans (D-SNPs) operating in Hawaii. Since the release, we updated some formatting and are reissuing the CY 2026 Member ID card model. No additional information has been added to this model. Plans should update this material prior to submission to CMS and the state of Hawaii for review.

This memorandum and the attached model will also be posted to the Medicare-Medicaid Coordination Office's "D-SNPs: Integration & Unified Appeals & Grievance Requirements" webpage at <https://www.cms.gov/medicaid-chip/medicare-coordination/qualified-beneficiary-program/d-snps-integration-unified-appeals-grievance-requirements> grouped alphabetically by state under the "Model Materials" heading.
