Register Now for a HRSA Webinar on the "Impact of ICD-10 on Safety Net Providers"

The U.S. Health Resources and Services Administration (HRSA) is hosting a webinar this Friday, September 23, 2011 from 2:00-3:30 pm EST on the "Impact of ICD-10 on Safety Net Providers." This webinar will provide technical assistance and examples of how safety net providers from various settings have begun planning to comply with the health industry's conversion to Version 5010 and ICD-10.

Webinar presenters will discuss the transitions to Version 5010 and ICD-10, ramifications of failing to meet compliance deadlines, and highlight ICD-10 resources that are available to safety net providers. In addition, they will touch on the strategies to avoid implementation bottlenecks.

Please [register](#) now for this webinar, which includes presentations from:

- Christi Dant, MPM, Office of E-Health Standards & Services, Centers for Medicare and Medicaid Services
- Victor Freeman, MD, MPP, Senior Medical Advisor, HRSA Office of Health IT and Quality
- Quang Ngo, MPH, PMP, President/CEO, TORCHFoundation
- Gervean Williams, Director of Finance and Operations, Training and Technical Assistance Division, National Association of Community Health Centers
