ICD-10. COMPLIANCE DATE OCTOBER 1, 2015

News Updates | September 26, 2014

ICD-10 Compliance Date Is Oct. 1, 2015

Reminder: the U.S. Department of Health and Human Services (HHS) issued a rule finalizing Oct. 1, 2015 as the new compliance date for health care providers, health plans, and health care clearinghouses to transition to ICD-10, the tenth revision of the International Classification of Diseases. This deadline allows providers, insurance companies and others in the health care industry time to ramp up their operations to ensure their systems and business processes are ready to go on Oct. 1, 2015.

The [rule](#) requires the use of ICD-10 beginning October 1, 2015. The rule will also require HIPAA covered entities to continue to use ICD-9-CM through September 30, 2015.
