The Medicare program will not make payment for skilled nursing facility services furnished to residents admitted to the facility on or after August 19, 2023. For residents admitted prior to August 19, 2023, payment may continue to be made for up to 30 days of services on or after January 21, 2024, the date of termination.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after August 19, 2023. For Medicaid residents admitted prior to August 19, 2023, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after January 21, 2024, the date of termination.

This action is mandated by §§ 1819(h)(2)(C) and 1919(h)(3)(D) of the Social Security Act and Federal regulations at 42 C.F.R. §§ 488.412 and 488.456.
