The three-way contract was effectuated for August 1, 2020 with the following updates:

1. Effectuated a one-year extension of the One Care demonstration through December 31, 2021 (Section 1.36 and Subsections 4.1.2, 4.7.3.3.4, 4.7.3.4.4, and 5.7.1)

2. Documented the aggregate savings percentage terms of 0.75% for the Medicare A/B Component of the capitated rate, and 0.50% for the Mass Health Component for the additional year (Demonstration Year 8). If a Commonwealth state of emergency is in effect at any point from September through December 31, 2020, the Medicare and MassHealth savings percentages will both be 0.50% (Subsection 4.3.4.1.8)

3. Revised terms of the MassHealth savings percentage for Demonstration Year 7. If a Commonwealth state of emergency is in effect at any point from May 15 through December 31, 2020, EOHHS may revise the savings percentage for the MassHealth Component of the rate for all of Demonstration Year 7 to a percentage not to exceed 0.50% (Subsections 4.3.4.1.7)

4. Continued the quality withhold percentage through the extension period and allowed CMS and EOHHS to introduce flexibilities for Demonstration Years 6 through 8 quality withhold terms related to COVID-19 (Subsection 4.4.5.6)

5. Continued the risk corridor terms for the extension period (Subsection 4.7.1)

6. Added one Medicare waiver required to continue the existing One Care network adequacy methodology in light of new Medicare Advantage provisions (Appendix P)
