**Notice to Public of Removal of Termination Action Against Marlborough Hills Rehabilitation & Skilled Nursing Center**

The Centers for Medicare & Medicaid Services (CMS) is providing notice that Marlborough Hills Rehabilitation & Skilled Nursing Center, will not be terminated as a provider in the Medicare program as a Skilled Nursing Facility. The Medicare provider agreement between the Skilled Nursing Facility and the Secretary of Health and Human Services (HHS) will continue based on their correction of deficiencies which were the basis for the termination action.

CMS requires facilities to meet certain health and safety standards to be certified as a Medicare provider. Involuntary termination of a provider agreement is generally a last resort after all other attempts to remedy the deficiencies at a facility have been exhausted. In this instance, the CMS, Northeast Division of Survey, Certification & Enforcement – Region I/Boston, has found that Marlborough Hills Rehabilitation & Skilled Nursing Center is no longer out of compliance with CMS basic health and safety requirements.

Public notice of the removal of the termination action will be posted on the Survey & Certification website at:
