**DATE:** September 26, 2025

**TO:** Michigan Applicable Integrated Plan (AIP) D-SNPs

**FROM:** Nishamarie S. Mills  
Acting Deputy Director, Medicare-Medicaid Coordination Office

**SUBJECT:** Michigan AIP D-SNPs: Updates to Contract Year 2026 Member Handbook

CMS and the state of Michigan are issuing an update to Chapter 4 of the CY 2026 Member Handbook for use by applicable integrated plan (AIP) dual eligible special needs plans (D-SNPs) operating in Michigan. MMCO will not issue a revised CY 2026 Member Handbook model for changes included in this memorandum. We instruct AIP D-SNPs in Michigan to update their CY 2026 Member Handbook based on the information provided in this memorandum.

These updates include:

**Member Handbook**

- **Chapter 4 update- Section D benefit chart:**
  - Move the rows for “Adaptive medical equipment and supplies” and “Personal emergency response system” to their appropriate alphabetical positions in the Home and Community-Based Services (HCBS) Waiver table, starting on page 65.

Hard copy Member Handbooks must include this information before they are mailed to enrollees whenever possible. If updates to the hard copy Member Handbook are not practicable – for example, if they have already been printed – the model errata may be used to communicate the updated and accurate information until current stock of outdated materials is depleted.

This memorandum will also be posted to the Medicare-Medicaid Coordination Office’s “D-SNPs: Integration & Unified Appeals & Grievance Requirements” webpage at <https://www.cms.gov/medicaid-chip/medicare-coordination/qualified-beneficiary-program/d-snps-integration-unified-appeals-grievance-requirements> grouped alphabetically by state under the “Model Materials” heading.
