

## **Michigan MI Health Link demonstration contract amendment**

### Summary of Changes to the Three-way Contract

An amendment to the three-way contract was re-executed on September 1, 2020 with the following updates:

1. Extended the MI Health Link demonstration through December 31, 2021 and updated applicable provisions throughout (Subsections 4.1.2, 4.2.1.5, 4.3.1.2, 4.4.3.8, 4.4.4.5, and 5.7.1.1)
2. Documented the aggregate savings percentage terms of 3% for the Medicare A/B Component and the Medicaid Component of the capitated rate for Demonstration Year 6 (Subsection 4.2.3)
3. Revised the target medical loss ratio for the Integrated Care Organizations for Demonstration Year 6 to 86% and added a remittance schedule for Demonstration Year 6 (4.3.2)
4. Updated the terms of the quality withhold methodology by increasing the withhold to 4% in Demonstration Year 6, and adding four quality withhold measures and removing one (4.4.4.8)
5. Updated Medicare Waivers to include a previously established waiver to allow dually eligible beneficiaries to change enrollment on a monthly basis and a new waiver related to the network adequacy methodology specific to the dually eligible population instead of all Medicare beneficiaries (Appendix K)
