Activity Planners/Developers/Instructors

Megan Fisher, Developer

Mrs. Fisher has been employed at the Centers for Medicare and Medicaid Services since 9.7.14 as a Nurse Consultant. From October 2011 - January 2013, Mrs. Fisher worked for Johns Hopkins Health System as a Clinical Documentation Specialist, and was then promoted to Manager of the Clinical Documentation Excellence Program until September 2014, when she came to CMS. Prior to working for the Johns Hopkins Health System, Mrs. Fisher worked at Mercy Medical Center as a Registered Nurse on the Mother/Baby (Post-Partum) Unit from July 2007 - October 2011.

Ms. Fisher has nothing to disclose.

Stacy Dorris, Developer

Mrs. Dorris has been employed by Qsource, the Medicare Quality Improvement Organization (QIO) for Tennessee since October 1999. She has served the organization in various capacities related to the QIO statements of work including leadership positions for hospital quality reporting programs and chronic kidney disease initiatives. Mrs. Dorris is a Certified Professional of Healthcare Quality (CPHQ) and serves as a Baldrige Examiner for Tennessee's Center for Performance Excellence. She is an adjunct professor for the Masters in Health Information and Informatics program at the University of Tennessee Health Science Center.

Ms. Dorris has nothing to disclose.

Suzanne Niemeyer, Developer

Ms. Niemeyer has been employed as a Vice President on Ketchum's Social marketing team, working under contract to the Centers for Medicare & Medicaid Services (CMS) Since July 2008.

Ms. Niemeyer has nothing to disclose.
