Medicare and Medicaid Notice to Public

Notice is hereby given that on January 8, 2022, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Nelson Manor, Newton, Iowa as a skilled nursing facility in the Medicare program. In addition, as authorized by the Iowa Department of Inspections and Appeals, notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective January 8, 2022. These actions are taken because CMS has determined that Nelson Manor failed to attain substantial compliance with certain Medicare and Medicaid participation requirements. If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to January 8, 2022, the provider will remain active in the Medicare Program and CMS will not terminate their provider agreement.

Based on the Denial of Payment for New Admissions imposed by Iowa Department of Inspections and Appeals in a letter dated July 16, 2021, the Medicare program will not make payments for skilled nursing facility services furnished to residents admitted to the facility on or after October 1, 2021. For residents admitted prior to October 1, 2021, payment may continue for up to 30 days of services on or after January 8, 2022, the date of termination.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after October 1, 2021. For Medicaid residents admitted prior to October 1, 2021, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after January 8, 2022, the date of termination.
