Termination Notice

Notice is hereby given that on September 23, 2021, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Normandy Nursing Center, St. Louis, Missouri as a skilled nursing facility in the Medicare program. In addition, as authorized by the Missouri Department of Health and Senior Services notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective September 23, 2021. These actions are taken because CMS has determined that Normandy Nursing Center failed to attain substantial compliance with certain Medicare and Medicaid participation requirements as mandated by Sections 1819(h)(2)(C) of the Social Security Act and Federal regulations at 42 CFR §488.412 and 488.456). If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to September 23, 2021, the provider will remain active in the Medicare Program and CMS will not terminate their provider agreement.

Based on the Denial of Payment for New Admissions imposed by the Missouri Department of Health and Senior Services in a letter dated June 7, 2021, the Medicare program will not make payments for skilled nursing facility services furnished to residents admitted to the facility on or after June 22, 2021. For residents admitted prior to June 22, 2021, payment may continue for up to 30 days of services on or after September 23, 2021, the date of termination.

In addition, Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after June 22, 2021. For Medicaid residents admitted prior to June 22, 2021, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after September 23, 2021, the date of termination.
