Notice to the Public of Limitation of CLIA Certificate

Date 02-12-2026
Title Notice to the Public of Limitation of St Louis Cancer Care's CLIA Certificate

Notice to the Public of Limitation of St Louis Cancer Care's CLIA Certificate, CLIA #26D0439378

The Centers for Medicare & Medicaid Services (CMS) is providing notice that on February 27, 2026, the St Louis Cancer Care's CLIA certificate, located at 10004 Kennerly Rd, Saint Louis, MO 63128 will be limited for the analyte Erythrocyte (Red Blood Cells) due to their failure to meet CLIA requirements.

The laboratory was notified on February 12, 2026. When a laboratory's CLIA certificate is limited, it will not be permitted to perform any testing for the purpose of providing information for the diagnosis, prevention, or treatment of any disease or impairment of, or the assessment of the health of, human beings, in the testing area it is limited. The laboratory may continue to perform parallel testing on specimens if needed to implement corrective actions, however, the laboratory may not report any test results during the period of limitation. CMS is committed to patient safety and quality of care.

The report of findings associated with these sanctions is available through the CMS Freedom of Information Officer. For additional information, please contact FOIA_request@cms.hhs.gov.

As of August 18, 2017, public notice of revocations, suspension, and limitations will be posted on the Survey & Certification website at <https://www.cms.gov/Medicare/Provider-Enrollment-and-Certification/SurveyCertificationGenInfo/Termination-Notices.html>
